## OAK & CORK

KITCHEN & TABLE ACCESSORIES

OAK & CORK · HANDCRAFTED

# NATURAL ELEMENTS

MADE IN PORTUGAL

Cook or serve with the style, versatility, and timeless beauty of our oak wood and cork collection of boards, trivets, placemats, and utensils. Made from Portuguese oak, a highly durable hardwood used for thousands of years, or from Portuguese Cork, the bark of the cork oak tree and one of nature's most amazing raw materials, all items are handcrafted by small artisanal manufacturers in Portugal.

## NATURALLY NOBLE

HIGHLY SUSTAINABLE RAW MATERIALS

THE BEAUTY OF OAK WOOD,  
A NATURAL RESOURCE,  
RESPONSIBLY HARVESTED  
IN PORTUGAL...

... AND THE ENDLESS POSSIBILITIES  
OF CORK.

Our wood boards and utensils are an environmentally responsible choice because they are made from a renewable, biodegradable and non-toxic material. These items are also very durable, providing a service that can last a lifetime.

Casafina's cork items are handmade of cork harvested in Portugal. Cork is 100% biodegradable, recyclable and renewable. Harvested every nine years without harming the tree, cork is an exceptional natural resource. It is incredibly light, impermeable to liquids and gases, elastic and resilient.

CORK · THE COLLECTION

# CORK COLLECTION

MADE IN PORTUGAL

Portugal harvests and provides approximately 50% of the world's cork supply. It is an eco-friendly product that is a natural choice to protect surfaces from heat and moisture. Its unique texture and pattern have become a chic accent for any kitchen or table.
