DINNERWARE	3
BEVERAGEWARE	39
BARWARE	95

Elevate your dining experience with RAK Porcelain, specializing in the manufacture and supply of exquisite-quality porcelain dinnerware. From brilliant, pristine white Polaris to soft, warm white Ivoris; from RAK Stone that evokes the feeling of stoneware to our RAK Earth that is reminiscent of hand-made pottery, we offer trend-setting designs that are as durable as they are beautiful.

Because we own our factory, we are uniquely positioned to anticipate trends, focus on durability, offer custom solutions, and deliver unprecedented lead times. Designed for the demanding HoReCa environment, our porcelain is renowned for its chip-resistance and exceptional durability, ensuring longevity and minimizing replacement costs.

We continue to expand our horizons to provide innovative solutions that complement the total tabletop. Our new glassware, flatware, and barware position us to be the one-stop solution for restaurants, hotels, and cruise lines.

We invite you to join us on our journey of innovation with this preview of our newest groundbreaking collections.

Feelings

Feelings was born from the idea that gastronomy is not just about flavors, but also about emotions. To bring this concept to life, we partnered with chefs who transform ingredients into experiences and plates into stories. Let their creations guide you into a world where gastronomy meets emotion, and where every plate tells a story shaped by the heart. The shape of a plate inspires, guides, and elevates creativity ... transforming every bite into a unique emotional experience.

The rakPoly collection features an unbreakable, crystal-like material that is fit for outdoor dining, poolside cocktail service, and cruise lines. These pieces undergo an 11-process polishing to ensure the clarity and quality up to 2000 washes. The weight adds durability for outdoor dining.

- Certified by NSF and FDA approved

Kylee

Debossed, faceted lines amp up the sparkle in any beverage service.

Laney

Traditional paneled drinkware in unbreakable polycarbonate you can trust.
