# INNOVATION LEADERS

YOUR TRUSTED INDUCTION PARTNER

A global leader in food service equipment, we provide premium products & innovative solutions for induction cooking, buffetware, and custom banquet furniture. The first to introduce countertop and hidden induction to the U.S., Spring USA is trusted by industry professionals worldwide

Every year, we debut the very latest in induction, buffet, and functional furniture technology. See our full collection of new products in this National Restaurant Show New Products Guide.

# INDUCTION

The latest additions to Spring USA's line of professional induction ranges known for their durability and performance with less than 1% failure rate and backed by an overnight exchange warranty.

## INDUCTION DOT

SKU# SM-360R

The perfect solution for any buffet, restaurant, breakfast bar, or catered event for precise warming and holding of served foods. Compact in size with just a 9.1" diameter, these ranges take up minimal countertop space for either drop-in, flush-mount, or countertop induction.

## WARMING

Our newest product to join the heat lamp family, with advanced features in our slimmest, sleekest design.

### iLUME

SKU# SM-360R

Move over traditional heat lamps, the iLume features a new modern design and long wave heat technology for better presentation and performance over traditional heat lamps - only 300 watts, they are energy efficient & can easily daisy chain multiple units.

REQUEST INFO

iLume shown daisy-chained in front-to-back warming, side-to-side warming, and folded format.

Completely adjustable for single or double vessel, front to back or side to side warming via the repositional lamp head.

## MULTI-POSITIONAL HEAT LAMP

## FUNCTIONAL FURNITURE

With more than 30 years in the industry, we help create beautiful, custom furniture with industry-leading induction and frost-top technology and proprietary Smartstone surfaces.
